Year 6
Billesley Primary School

Dear Year 6 at Billesley Primary School

I'm told by your Head Teacher that after the summer holidays you'll be moving to Secondary School. I know that this won't be how you imagined finishing Year 6. This has been a difficult time for a lot of people and your teachers have been working hard to make sure everything is as normal as possible. I hope that you have the chance to say a proper goodbye to your teachers and friends, either now or in the future.

This is a big change and while it can be exciting, it can also be worrying as you leave behind some old friends and move to a different and bigger school. We all have to make this change and for most people it proves to be really exciting, but if you do feel worried or have problems it's important to know that you are not the only person this has happened to and it's important to tell someone and not just try to cope on your own.

I wish you every success at your new school and I hope that you get the best out of it so that you can find the job or career that suits you and helps you to do the things you want to do in life. Everyone has a talent and is good at something, sometimes it can take a little time for people to discover exactly what they are good at, but your new school is a chance to begin that next important stage. I know this may seem like a strange time to be making such a big change, but there will be plenty of people at your new school who are there to help you.

If you ever think I can be of help to you or anyone in your family, please get in touch. You can write to me at: Steve McCabe MP, House of Commons, London, SW1A 0AA or email me at stephen.mccabe.mp@parliament.uk.

Best wishes,

Yours sincerely
